1 THE CLERK: Freeholder Cifelli.
2 FREEHOLDER CIFELLI: Yes.
3 THE CLERK: Freeholder Cifelli is
4 present by phone. DiDomenico.
5 FREEHOLDER DiDOMENICO: Here.
6 THE CLERK: Dublin.
7 FREEHOLDER DUBLIN: Here.
8 THE CLERK: Liggio, absent.
9 Maldonado.
10 FREEHOLDER MALDONADO: Here.
11 THE CLERK: O'Dea.
12 FREEHOLDER O'DEA: Present.

17 THE CLERK: Chairman Munoz.
18 CHAIRMAN MUNOZ: Here.
19 THE CLERK: Please stand for the
20 Pledge of Allegiance.
21 (Flag Salute.)
22 THE CLERK: Adequate notice of this
23 meeting has been provided as follows:
24 1. Posting notice of Resolution No.
25 8-1-2014 on the Freeholder's Bulletin Board, Third

1 Floor, Administration Building Annex, Jersey City,
2 New Jersey.
3 2. Copies of the above mentioned
4 resolution have been sent to the County Clerk and
5 the editors of the Jersey Journal and the Star
6 Ledger.
7 Mr. Chair, do you wish to go out of order
8 for the presentation?
9 CHAIRMAN MUNOZ: Yes.
10 FATHER SQUEO: Thank you. Good
11 evening. Father Gene Squeo from the New Jersey
12 Forum for Human Rights. I'm part of an immigrant
13 rights coalition that has been somewhat in dialogue
14 with the County on the County detainer policy, and
15 I'm here tonight with a number of people. We tried
16 not to stack the chambers. We figure that can be
17 left to other groups, but we do have a number of
18 different groups.
19 I'm going to have -- I'm going to ask your
20 indulgence. Myself and three others will speak. As
21 I mentioned to Freeholder O'Dea, we'll try to
22 contain to about ten minutes in total. The ICE
23 detainer as you know is a request from Immigration
24 and Customs Enforcement to hold someone at the
25 County jail up to 48 hours after they would

1 ordinarily be ready to be released. Sometimes if it
2 happens on a weekend or a three-day weekend, the
3 person can be detained even six days, although it's
4 supposed to be a 48-hour limit. In my own
5 experience, a parishioner was recently just held for
6 five days because it happened on a holiday weekend.
7 At the end of that time, he was released.
8 The policy adds further divide been the
9 immigrant communities in our County and law
10 enforcement. It's another factor why in the
11 immigrant community there's fear, and there is an
12 avoidance of any sort of interaction with law
13 enforcement. A number of court rulings recently
14 found counties liability for damages for people who
15 are detained in jail without a warrant, without a
16 court order or some other legally justifiable
17 reason. You have to have probable cause.
18 The courts have found in those cases no
19 legal justification, and counties a number of them,
20 have actually had to pay damages. I think one case
21 was over $100,000. As a result of these court
22 rulings, counties across the country are revising
23 their detainer policies, with many no longer
24 honoring ICE detainer requests at all.
25 Here in our own County, Syracuse

1 University through a Freedom of Information Act
2 request did a -- compiled data from all detainer
3 requests nationwide, and it was for a little under a
4 two-year period. It was October 2011 to
5 August 2013. In New Jersey during that time in or
6 about 6,000 detainer requests were issued by ICE.
7 Hudson County, Hudson County Correctional Center was
8 at the forefront, more detainer requests than any
9 other facility here in New Jersey.
10 So during that period of about 21 months,
11 there were 640 detainers requests here in Hudson.
12 We are always told this is to make our community
13 safer. It's trying to target real, hardcore
14 criminals, gang element or terrorists, yet of the
15 640 requests here in Hudson during that time period,
16 66 percent of those individuals had never been
17 convicted of any crime or offense. Another
18 17 percent were in the lowest level of offenses,
19 traffic violation and disorderly person offenses.
20 So that's what? About 83 percent of the
21 total 640 really were people just ensnared in this
22 whole immigration detention and deportation machine.
23 I think most of the Freeholders, if not all of them,
24 on July 15th, the ACLU of New Jersey sent letters to
25 all facilities in New Jersey that detain people and

1 asked them to revise their policy to no longer hold
2 detainees based on ICE requests. So far four
3 counties have revised their policy.
4 Union County, according to the viewpoint
5 of an immigrant advocate, is the best. Basically,
6 they're not going to honor requests from them at
7 all. But also Hunterdon County is no longer
8 honoring requests. Middlesex and Ocean, they
9 revised their policy to make them less stringent.
10 Here in Hudson, I know you all know this, it's
11 repeated over and again; 40 percent of our
12 population is foreign-born. If we can't expect
13 immigration friendly policy here in Hudson County,
14 where can we expect it?
15 I would like to have them come up and just
16 explain a little bit of the impact in these
17 immigrant communities.
18 MS. CONUELLA: Good evening,
19 everyone. My name is Conuella. I was working prior
20 to moving to Jersey City about three months ago at
21 Immigrant Rights Coalition. Now that I am a
22 resident of Jersey City, I jumped back in working
23 with our immigrant coalition.
24 One of the concerns that we have is the
25 concept of trust that the policy, that the policy

1 will evoke because of these requests from ICE are
2 hurting the community, and that's what we would all
3 like to share. I don't think and I wouldn't want
4 that as a judgment of our public safety, which is
5 our law enforcement's first priority. So this is
6 why I would like to reiterate the importance of the
7 safety policy. Thank you.
8 MS. CALDERON: Good evening,
9 everyone. My name is Monica Aguilar Calderon. I am
10 the director of Action 21, a community organization
11 here in Jersey City. I was on the web site that
12 said Welcome to Hudson County, and it has nine
13 languages in the web site. Jersey City has one of
14 the most diverse populations in the United States.
15 Jersey City is host to multiple ethnicities and
16 cultures, living up to its legacy of the living
17 history that the city is composed of, Cuban,
18 Italian, Jewish, Polish, Indian, Arabic, Puerto
19 Rican, Mexican, African. Even Ellis Island is
20 within the borders.
21 It is no surprise that Jersey City has
22 become renown for her diversity. I urge you to sit
23 back down, and let's talk about changing the policy.
24 There are many community members who do not report
25 crimes against their person or property, and also

1 there is a lot of violence against women and girls
2 that are not being reported here in Hudson County,
3 and I want you all to think about that. When people
4 are not reporting crime, what does it mean for your
5 family, for our community? It means that we're not
6 finding out about the crimes, therefore we're not
7 helping all of us. Thank you very much, and I
8 invite you to please review this policy. Thank you.
9 THE CLERK: Let the record show that
10 Freeholder Romano has arrived.
11 MS. LOSNO: Good afternoon,
12 everyone. My name is Catherina Losno. I'm from
13 Union City, New Jersey, and I am here to also talk
14 about the policy and the effect that it is having in
15 our community. I am a member of an immigrant youth
16 group in New Jersey, and as part of that, I have
17 seen the fear of many of the people in our community
18 towards law enforcement, specifically when it comes
19 to deportation proceedings.
20 We need to be sharing information with
21 local law enforcement and ICE. A lot of the
22 community is becoming very afraid of even talking to
23 police officers. I got to see this last month when
24 I was experiencing a very difficult time with one of
25 the families in Union City, who was in deportation

1 proceedings, and we started a petition to go outside
2 of Union City and talk to people in the community,
3 and ask them to sign a petition asking them not to
4 deport the grandfather.
5 As I was Bergenline Avenue, stopping by
6 the bus stop, asking people to sign, a lot of people
7 were afraid of sharing information with the police
8 because they didn't their phone numbers or their
9 addresses being shared with anybody, some because
10 they weren't documented, and this fear was very real
11 to me; one, because I actually got to see it; and
12 two, I have also experienced that myself. I am very
13 hesitant go to a police officer, and when I see one
14 I become a little scared to because I have -- even
15 though I have applied for citizenship, I am also
16 undocumented.
17 This is like the fear in the community,
18 and like I said, I got to see this last month. We
19 get to see it every day with people talking about
20 the deportation, and how it's tearing families apart
21 when you have someone in the family being locked up,
22 and they have children or grandchildren that won't
23 be able to see them anymore. So I'm here to urge
24 everyone to revise that policy and to think about
25 what exactly this is doing to our community. Thank

1 you.
2 CHAIRMAN MUNOZ: I have a some
3 questions. At Hudson County Correctional Facility,
4 we have a contract with Immigration; is that
5 correct?
6 DIRECTOR AVILES: Oscar Aviles,
7 Department of Correction. Freeholder, yes, we do
8 have a contract with Immigration.
9 CHAIRMAN MUNOZ: On this contract
10 when ICE brings immigrants into the facility, do we
11 know what they detain them for, do we have a say on
12 whether they're accepted or not, or they're the ones
13 that press the need to bring what they need for the
14 detainer the time?
15 DIRECTOR AVILES: That's correct,
16 Freeholder.
17 MR. BATTISTA: Freeholder, I think
18 what Father Squeo is alluding to, the incident that
19 he's referring to, involved someone who was arrested
20 unrelated to their immigration issue, that they were
21 brought to the institution, whatever the reason why
22 they were, they were subject to being released, ICE
23 then requested that, I think the word is "request,"
24 they requested that they not release this individual
25 because they have some suspicions. It turns out in

1 the case that they're alluding to, not only was the
2 suspicion cleared, but the person was a citizen and
3 had his documents, but the correction facility
4 refused to look at them. So it sounds different
5 than ICE bringing them and detaining them. It's one
6 that they have been arrested for unrelated
7 immigration issues, and ICE raises an issue.
8 CHAIRMAN MUNOZ: One of the things
9 that's an issue, I'm driving my car, and I have a
10 small accident. It may be my fault. The police
11 comes and sees that I'm undocumented and calls ICE.
12 ICE arrests me.
13 DIRECTOR AVILES: Freeholder, Hudson
14 County will not accept into the facility under an
15 ICE request. What they're referring to is if they
16 get arrested and jailed on a criminal offense, and
17 while they're there, an ICE detainer is made for the
18 individual, and once he completes his criminal
19 offense, we're not holding him on an ICE detainer.
20 What they're referring to is Hudson County honoring
21 that request and keeping individuals in jail.
22 FREEHOLDER O'DEA: It's as simple as
23 this. Someone gets arrested on a very minor
24 offense. Under normal circumstances, they would be
25 ROR, because they haven't been convicted of

1 anything. It's as if they haven't even been
2 convicted of anything. So but rather than them
3 being ROR as they should be, because ICE puts that
4 request on them because they suspect that there is
5 this violation that they're undocumented. We're
6 holding them. They can be held one day, two days,
7 three days, four days, and then if there isn't an
8 issue with that, who knows how long they would be
9 held. Is that the issue?
10 CHAIRMAN MUNOZ: That's correct.
11 FATHER SQUEO: Yes, that's part of
12 the issue. It's also when they're in the jail, and
13 ICE comes with a detainer. People think it's a
14 legal obligation, whatever the County and State
15 charges are, and try to release them, and they are
16 requested to hold that individual.
17 CHAIRMAN MUNOZ: Let me ask you, do
18 we have a policy that it has to be for ICE, a
19 minor -- when they say "a minor offense," what kind
20 of offense do they mean?
21 DIRECTOR AVILES: Hudson County is
22 not going to accept anyone coming to the facility
23 strictly on an ICE detainer. When ICE brings
24 individuals to the jail, they have already been
25 reported, and they have legal documentation for

1 these individuals. Regardless of their offense,
2 once complete whatever that is, once they post bail,
3 they shouldn't be held on an ICE request. That's
4 what they are saying.
5 FREEHOLDER O'DEA: I have a vehicle
6 pulled over. What is your policy?
7 DIRECTOR AVILES: Our policy is we
8 will not hold anyone strictly on an ICE detainer.
9 FREEHOLDER O'DEA: The question is,
10 someone gets held initially on something else, then
11 you receive an ICE detainer, would you continue to
12 hold them?
13 DIRECTOR AVILES: Freeholder, as I
14 mentioned our position, we would not hold anyone
15 strictly on an ICE detainer.
16 MR. ANTUN: That's when you brought
17 this to my attention. I thought issue got resolve.
18 When the Father explained the situation, I saw the
19 policy we're not holding anyone on an ICE detainer.
20 I agree with you. They're out of there.
21 DIRECTOR AVILES: The issue is that
22 we have a contract with Immigration and Customs
23 Enforcement, and that Immigration and Customs
24 Enforcement is at the correctional facility every
25 day, so while our individuals are at the jail, and

1 they're adjudicated before they complete the
2 criminal charge, then they put a warrant on their
3 arrest. It may appear that Hudson County holds them
4 on ICE detainers. It's followed with a warrant to
5 hold on them on that documentation.
6 FATHER SQUEO: I would add to that
7 the policy that I was looking at was the one that
8 was effective July 17, 2014, and frankly, Director,
9 if that's what you're alluding to --
10 DIRECTOR AVILES: That's going to be
11 modified.
12 FATHER SQUEO: This is a total
13 disappointment. This is perhaps the most negative
14 one in New Jersey.
15 FREEHOLDER O'DEA: So you told
16 Mr. Administrator, Director Aviles, we modified it.
17 Father Squeo says let me read you this. He reads
18 it, and then Director Aviles goes, Oh, we're going
19 to modify it. I mean, come on. Is it modified?
20 Isn't it modified? When it was a modified?
21 MR. ANTUN: I sent the Board. That's
22 the one.
23 FATHER SQUEO: I saw this one.
24 DIRECTOR AVILES: I just received an
25 e-mail asking for at least five. If it's only a

1 detainer holding, then, you know.
2 CHAIRMAN MUNOZ: Can we as a Board do
3 a resolution?
4 FREEHOLDER O'DEA: We can do a
5 resolution urging to modify.
6 MR. ANTUN: Mr. Chairman, a request
7 from ICE is not enforceable. We shouldn't be doing
8 it.
9 FREEHOLDER O'DEA: So why couldn't we
10 just adopt the same policy that Cumberland and
11 Burlington County have?
12 FATHER SQUEO: Union County is the
13 best.
14 FREEHOLDER O'DEA: Union County,
15 especially with what we read in the paper today,
16 then I think we'd want to, right, Director?
17 DIRECTOR AVILES: Yes, Freeholder.
18 That's the direction we're going for that reason.
19 FREEHOLDER O'DEA: How do we get to
20 that, Director? How long does it take?
21 DIRECTOR AVILES: Freeholder, I have
22 a few -- probably maybe a week. We're doing it.
23 We're actually doing it.
24 FREEHOLDER O'DEA: What you're doing
25 and what your paper says are two different things?

1 DIRECTOR AVILES: Correct.
2 FREEHOLDER O'DEA: At the end of the
3 day, sceptics will always look at what's on a piece
4 of paper and not what you're telling them, right,
5 Mr. Administrator? The first time that you're doing
6 truly not what's on paper and not what you're saying
7 is being done, they'll be a hundred people. We
8 don't want that to happen. Let the words, let the
9 written words apply with the actions.
10 DIRECTOR AVILES: You will have that.
11 MR. BATTISTA: I think we need to
12 distinguish between ICE detainers that are
13 legitimately documented as opposed to the requested
14 because what Father Squeo is saying, which is my
15 understanding, we don't enforce them.
16 DIRECTOR AVILES: No, we don't.
17 MR. ANTUN: The problem is is that
18 the document that the Father has doesn't comport
19 with what actually is happening, and that's the
20 issue that Freeholder O'Dea is making.
21 DIRECTOR AVILES: The Director just
22 showed me an e-mail that it's being reviewed on
23 August 22nd. This is dated July 17th. That's what
24 the Reverend has.
25 FREEHOLDER O'DEA: That's what we

1 have. When we asked what you were doing to change
2 the policy, after we had the meeting in City Hall,
3 the document that was sent to me was the document
4 that Father Squeo has, and which was the document
5 under which the concerned that ICE document.
6 MR. BATTISTA: May I make a
7 suggestion, Freeholder? Why don't we share with
8 Reverend Squeo what our findings are so that if
9 there are any issues, they can come to the next
10 meeting. At least we're all be talking about the
11 same document.
12 FREEHOLDER O'DEA: Father, I'll meet
13 with you. Share the information within the next few
14 days with Father Squeo. Father, if it's a
15 non-issue, come and say it. If it's an issue, let
16 us know, and we'll prepare a resolution for the next
17 meeting, rather than dragging this thing from
18 meeting to meeting back and forth. Let's meet that.
19 You provide the information, have your discussion.
20 If it's good come back and say, Great, thank you,
21 Director Aviles, Mr. Battista, Mr. Administrator,
22 Board.
23 If not, prior to that, get us the Union
24 County. Mr. Florio, you give Father Squeo your
25 e-mail address, and prepare a resolution, and then

1 we'll take action at the next meeting.
2 CHAIRMAN MUNOZ: At least we have
3 demonstrated that we support it. We support it.
4 FREEHOLDER ROMANO: I would just like
5 to say you made a good clarification, that what
6 they're talking about is not enforceable. There's
7 also enforceable, correct me?
8 MR. BATTISTA: ICE does have
9 enforceable.
10 FREEHOLDER ROMANO: I said that there
11 is ICE paperwork that does come in that's legal, and
12 he can't release them. Just so you understand that
13 it's two different things.
14 CHAIRMAN MUNOZ: The public should
15 know that we as a Board support the policy that's
16 what the court says.
17 FATHER SQUEO: We will have a
18 meeting.
19 FREEHOLDER O'DEA: It's not what it
20 says on the piece of paper that was sent to us
21 that's Hudson County's policy.
22 FREEHOLDER DUBLIN: Right now, the
23 way it's showing up, I agree with Bill O'Dea and
24 Father Squeo. Let's look at this information that
25 Oscar's getting, the information from Union County,

1 and at the next meeting. If it's not sufficient to
2 what Father Squeo had said, we'll do a resolution.
3 FATHER SQUEO: And I would be
4 satisfied, and once again, it's not I.
5 FREEHOLDER O'DEA: You're the
6 advocate on behalf of a large group or organization
7 that are advocates of this particular issue. Thank
8 you.
9 FATHER SQUEO: Thank you.
10 CHAIRMAN MUNOZ: Proceed with the
11 agenda.
12 THE CLERK: The next order of
13 business is additional discussion on today's agenda.
14 MR. ANTUN: Mr. Chairman.
15 Mr. Chairman, a couple of items I have. First item,
16 I was informed by the Sheriff today that he would
17 like to withdraw Item No. 4, which is the addition
18 to the Vision Media contract for $12,000.
19 FREEHOLDER O'DEA: I make a motion to
20 withdraw forever. That's my motion.
21 CHAIRMAN MUNOZ: Motion by Freeholder
22 O'Dea. Second by Freeholder Dublin.
23 Roll call.
24 THE CLERK: On the motion to withdraw
25 No. 4 from the agenda altogether.

1 Freeholder Cifelli.
2 FREEHOLDER CIFELLI: It is a motion
3 to remove Item 4 from the agenda, is that my
4 understanding?
5 THE CLERK: Yes.
6 FREEHOLDER CIFELLI: Actually,
7 Freeholder O'Dea's motion is requested by the
8 Sheriff's office?
9 FREEHOLDER O'DEA: That's correct.
10 As a result of this meeting that we had with his
11 staff.
12 FREEHOLDER CIFELLI: At his request.
13 MR. ANTUN: Freeholder, I spoke have
14 Sheriff Schillari today. That's what he asked me.
15 FREEHOLDER CIFELLI: I vote aye.
16 THE CLERK: Freeholder DiDomenico.
17 FREEHOLDER DiDOMENICO: Yes.
18 THE CLERK: Dublin.
19 FREEHOLDER DUBLIN: Yes.
20 THE CLERK: Maldonado.
21 FREEHOLDER MALDONADO: Yes.
22 THE CLERK: O'Dea.
23 FREEHOLDER O'DEA: Absolutely.
24 THE CLERK: Rivas.
25 FREEHOLDER RIVAS: Yes.

1 THE CLERK: Romano.
2 FREEHOLDER ROMANO: Yes.
3 THE CLERK: Chairman Munoz.
4 CHAIRMAN MUNOZ: Yes.
5 THE CLERK: No. 4 is withdrawn.
6 MR. ANTUN: Mr. Chairman, the next
7 item that I have is a new item. It's a resolution
8 authorizing the sale of the refunding bond issued
9 that was previously approved by the Board.
10 THE CLERK: This will be No. 18, if
11 there is a sponsor.
12 FREEHOLDER RIVAS: I'll sponsor.
13 FREEHOLDER DUBLIN: Second.
14 THE CLERK: Resolution of the County
15 of Hudson providing for the issuance of Refunding
16 Bonds for the refunding of a portion of the County's
17 2006 General Obligation Bonds; and providing for the
18 form, maturities and other details of said Bonds;
19 authorizing a Preliminary Official Statement and an
20 Official Statement; providing for the sale of the
21 Refunding Bonds; and approving and authorizing the
22 execution and delivery by the County of a Continuing
23 Disclosure Certificate, a Bond Purchase Agreement
24 and an Escrow Deposit Agreement. No. 18.
25 FREEHOLDER O'DEA: Mr. Administrator,

1 can we ask, I don't know whether to do it in caucus
2 or in Finance Committee. I think that, again, there
3 are certainly people that do this for a living that
4 have greater expertise than I do, but there is lot
5 of angst that they're anticipating within the next
6 nine to twelve months, a jump in interest rates, and
7 in light of that, I would ask that we look at what
8 projects you may want to move ahead expeditiously on
9 issuing the bonds for so we don't get whacked on a
10 point rise in interest rates.
11 I would ask that -- I would defer to a
12 process that might take a couple of months to do. I
13 wouldn't want to delay 50 or $100 million in bonding
14 that we know we have or will need to issue in the
15 course of the next 18 or 24 months, only to find out
16 that by not moving expeditiously on that, we're now
17 paying a point or point and a quarter more in
18 interest, which as you know, Mr. Administrator, 50
19 or $60 million is real money.
20 MR. ANTUN: I don't disagree,
21 Freeholder, but you have to be careful, it's more
22 for a committee discussion. I don't want to prolong
23 the meeting, but keep in mind when you issue bonds,
24 then you have appropriate a principal payment, and
25 those principal payments have an impact.

1 FREEHOLDER O'DEA: That actually
2 depends on how the bonds are structured. Your
3 representation is not close to a hundred percent.
4 How you structure it when you make your payments can
5 be done in many different ways.
6 MR. ANTUN: And the only way you can
7 do those exceptions of it's contrary to the law, is
8 you need to get local finance board approval.
9 They've been rather --
10 FREEHOLDER O'DEA: I would rather
11 make the effort and the argument over why it makes
12 sense for us to do that and present to them the data
13 that many experts are forecasting than to
14 automatically just worry about the principal. At a
15 minimum I want to compare what those options would
16 be. If we need to, obviously, option one is to go
17 to the local finance board for that exception,
18 correct?
19 MR. ANTUN: Yeah, sure.
20 FREEHOLDER O'DEA: Option No. 2 would
21 be to decide whether or not and what the impact
22 short-term as opposed to term would be in making a
23 principal payment. All I'm asking is someone start
24 that process and be able to come to us in a couple
25 of months with a proposal. It's simple.

1 MR. ANTUN: Perhaps you're just
2 argumentative at times. I wasn't discouraging the
3 analysis. I was only putting --
4 FREEHOLDER O'DEA: Mr. Administrator,
5 the phrase "at times," I take exception with that.
6 MR. ANTUN: We will look at that.
7 FREEHOLDER O'DEA: If you said most
8 of the time, I may not have objected.
9 MR. ANTUN: I don't have any other
10 items, Mr. Chairman. I do, however, would like to
11 call your attention, I forwarded this to the Board
12 earlier today so some of you may not have seen it,
13 but Director Demellier did declare an emergency
14 regarding the River Road flood near the bird
15 sanctuary in North Bergen.
16 Our concern is that there is something
17 clogging the flow of the water, and it's backing up
18 onto River Road, and we're going to take whatever
19 necessary action is needed to make sure that that
20 gets unclogged so we don't have a freezing over
21 there. That's all the item that I have. These are
22 actions that the time involved with getting this
23 done that we need to act now. It's because it's
24 tied into the lake, and you're familiar with the
25 area.

1 THE CLERK: Mr. Chairman, there is an
2 item for your consideration from the Board. It's a
3 contribution to the American Diabetes Association,
4 $150. Mr. Chairman, there is a process by the way,
5 that it will be at least a month before this check
6 is cut. I could address that question after the
7 meeting. This will be No. 19. Who was the sponsor?
8 FREEHOLDER ROMANO: Board as a whole.
9 (There is a discussion held off the
10 Record.)
11 THE CLERK: There are some line
12 items, Mr. Chairman. I think we will have this
13 discussion after the meeting. There is a budget
14 detail that I received earlier for the Freeholder's
15 budget. There are several categories. I don't have
16 it with me.
17 FREEHOLDER O'DEA: The Law Department
18 should reimburse us. Mr. Administrator, you can't
19 do a budget transfer, right? Maybe what you should
20 do is you should authorize it subject -- I have to
21 be honest with you. I concur. We probably need to
22 have these resolutions from now to November 1,
23 authorizing subject to the Board approving budget
24 transfers after November 1, and from a technical
25 perspective, right, Mr. Administrator, from a

1 technical perspective, I couldn't -- I couldn't in
2 my agency overspend a line item without having my
3 board approving a budget amendment that had enough
4 money.
5 MR. ANTUN: I don't know, Freeholder.
6 It's the first time I'm hearing it.
7 FREEHOLDER O'DEA: As a rule of
8 thumb, you would probably have to reject it, if you
9 do your job and somebody vouchered it, you would
10 have to reject the voucher?
11 MR. ANTUN: That's correct. Not
12 about this one, you spoke to me about the legal, and
13 I have a resolution. The legal one, I figured
14 something out on that. Now you're hitting me with
15 something new.
16 FREEHOLDER O'DEA: Let me look at the
17 legal bill. I'll figure out something for you,
18 please.
19 FREEHOLDER DUBLIN: Why don't we talk
20 to our Finance Director, and she's the only one that
21 we can. Why are we over budget?
22 CHAIRMAN MUNOZ: We were just made
23 aware we were over budget. We can't approve
24 anything. We don't have money to approve anything.
25 FREEHOLDER O'DEA: The problem is we

1 don't have it. You can't approve. You can't
2 approve a resolution that says subject to
3 availability of funds when we know we don't have the
4 funds. We could do a resolution that approves it
5 subject to this Board approving a budgetary transfer
6 after November 1. That's what I'm saying.
7 FREEHOLDER ROMANO: That means we
8 can't, right?
9 FREEHOLDER O'DEA: We can't do
10 anything from now until November 1.
11 MR. ANTUN: Wait until the next
12 meeting. I'll figure it out. Trust me. I'll have
13 this figured out, okay? Wait until the next
14 meeting.
15 FREEHOLDER O'DEA: I think we should
16 take these monies out of another department that has
17 money. The Administration could find out what those
18 departments are, right, Abe? Abe. Isn't that the
19 way to solve the problem?
20 MR. ANTUN: Can this wait two weeks?
21 FREEHOLDER O'DEA: That's the way to
22 solve it.
23 THE CLERK: The sponsorship is Board
24 as a whole. Do we have a motion to carry?
25 FREEHOLDER O'DEA: Let's just

1 withdraw our sponsorship, and then it's withdraw.
2 THE CLERK: Mr. Chair, 19 is
3 withdrawn. I have no additional items.
4 According to the policy set by the Board
5 of Freeholders, members of the public are asked to
6 limit their comments to 15 minutes when discussing
7 agenda items and five minutes at the conclusion of
8 the meeting when discussing matters of public
9 interest.
10 At this time the public may address the
11 Board on any item on the agenda only. Please keep
12 your comments limited to 15 minutes. Are there
13 speakers on agenda items only.
14 MS. WAITERS: Pat Waiters, 1233 Park
15 Avenue, Hoboken. I'm curious about No. 4, that you
16 pulled off the agenda tonight. I was here at the
17 caucus, and this the same the monies at that was --
18 CHAIRMAN MUNOZ: You have to now
19 address that in the public session.
20 MS. WAITERS: This is No. 4.
21 FREEHOLDER O'DEA: We had it taken
22 off. It's not on the agenda.
23 CHAIRMAN MUNOZ: We had it taken off
24 the agenda.
25 THE CLERK: Additional speakers on

1 agenda items.
2 MS. BURKE: Charlene Burke, president
3 of the West Side Community Alliance, and I'm here to
4 speak on the bike lanes that are being installed in
5 the park. It's one of the ordinances. The bike
6 lanes that you're installing.
7 FREEHOLDER O'DEA: That should be
8 second reading, Charlene. It's probably more
9 appropriate have it at the public hearing.
10 MS. BURKE: Oh, no. I'm here in
11 support. One of the things that I wanted to bring
12 to the attention of the Freeholders is that it's
13 part of the East Coast Greenway Trail System, and
14 many of the bikers at the farmer's market, I've seen
15 a lot of the bikers that are backpackers traveling
16 the East Coast Greenway. They tend to leave the
17 park at the Communipaw Avenue exit and traverse the
18 Route 1 and 9/Communipaw intersection there instead
19 of following the East Coast Greenway, which actually
20 takes you supposedly over the bridge to Lincoln Park
21 West and exits the park on the western side, thereby
22 avoiding what's a dangerous intersection, not for
23 only bikers but even for drivers it's pretty
24 challenging at times.
25 So I which would be asking, is there some

1 way to also mark of bike lanes with the East Coast
2 Greenway logo on the ground so that the biker know
3 full well to go over the bridge and travel the safer
4 way, then going over the bridge westward if they
5 need to do it? The reason I say this is these are
6 people that come from Europe, we just encountered
7 Italians on Sunday and other people, other people
8 that were following the bike lanes.
9 Anyway, the point being that these are
10 people who are not familiar with our area and are
11 just taking what they think is the right way. I
12 would like to encourage the Freeholder perhaps to
13 define it more clearly so that our bikers are safer
14 as they travel through Hudson County. That's all I
15 would like to bring to your attention, but we think
16 it's a great thing that the Freeholders have decide
17 to do about the installation of bike lanes and also
18 the one-way traffic calming for the drivers through
19 Lincoln Park. It's a great park. It's really,
20 really being used now on a daily basis. You're
21 creating a safer place for us all. Thank you.
22 FREEHOLDER O'DEA: Mr. Chairman, I
23 just have two points. I think, Charlene, you
24 attended both meetings. We had a meeting last fall.
25 Both of the meetings were at the Gallo Center. The

1 meeting last fall, Mayor Fulop attended, part of the
2 meeting I was in attendance, Councilman Ramchal was
3 in attendance for part of the meeting, and then in
4 the early spring sometime, Tom DeGise was at another
5 meeting that I called in the Gallo Center, and the
6 issues that were raised by the community related to
7 that park, I think almost all of them, the farmer's
8 market was an issue that was raised, and we, working
9 with Director Richardson, were able to achieve that
10 farmer's market this year and not holding up the
11 issue of the desire for the bike lane in the park
12 that was raised by a number of residents there, and
13 with the Administration's support and Demetrio, we
14 ended up getting that done.
15 There were a couple other more minor items
16 that I don't remember, but I think that that bears
17 out why it's always important to me to periodically
18 hold community meetings because the community often
19 comes up with some pretty good ideas. We may not
20 always come up with this stuff.
21 MS. BURKE: Thank you.
22 THE CLERK: Additional speakers on
23 agenda items only.
24 MS. SKOLAR: Good evening. Laura
25 Skloar, president of the Jersey City Parks

1 Coalition. I would like speak to you on No. 6 of
2 your resolutions, which is the granting of monies
3 back to the municipalities that were part of the
4 Hudson County Open Space Trust Fund, and I would
5 like to say we offer our support for that
6 resolution, and specifically, the portion Jersey
7 City is getting back is really a very small portion
8 of $711,000; 43,000 is being reprogrammed back to
9 Jersey City.
10 And one of our member parks open space
11 organizations, the cemetery, will be the recipient
12 of 12,000 of that, which will go towards the
13 restoration of the gatehouse that was badly damaged
14 with the hurricane, and we're now able to complete
15 that project due to the funds from reprogramming.
16 We appreciate that. I want to thank you, and we
17 support that particular resolution. Thank you.
18 THE CLERK: Additional speakers?
19 Mr. Chairman, there appear to be no additional
20 speakers. The consent agenda now includes Item 18,
21 No. 4 was withdrawn. May I have a motion to approve
22 all items listed on the consent agenda?

10 FREEHOLDER ROMANO: Happy Birthday to
11 Freeholder-elect Vanierini from North Bergen.
12 FREEHOLDER O'DEA: Did you get a
13 cake?
14 FREEHOLDER ROMANO: No.
15 CHAIRMAN MUNOZ: I just wanted to say
16 I have received about four letters about the
17 building program in Lincoln Park, and you guys are
18 doing a great job.
19 FREEHOLDER O'DEA: That's one of the
20 things from the meeting, right?
21 CHAIRMAN MUNOZ: I wanted to bring
22 that to the attention of the Freeholders.
23 FREEHOLDER RIVAS: What a beautiful
24 parade, the Dominican Parade. It was excellent, the
25 whole community had a good time. There was

1 representation from the Board of Freeholders, and I
2 look forward to next year, and the parade was well
3 attended.
4 THE CLERK: Are there any comments
5 from the Chief of Staff of the County Executive?
6 MR. GAUGHAN: No, thank you.
7 FREEHOLDER CIFELLI: Thank you for
8 having no comments.
9 THE CLERK: This is the time for
10 anyone present to address the Board on any matter of
11 public interest. Please remember to limit your
12 comments to five minutes.
13 FREEHOLDER O'DEA: I'm sorry. Before
14 that, one comment. I know we voted on the funding
15 for Integrity House, and Freeholder Cifelli raised
16 an issue on Tuesday, we raised before on the waiting
17 list. I had an opportunity to sit down with former
18 Governor McGreevy and a couple of other individuals
19 yesterday, and I spoke to them about this, and
20 you're going to be getting a call.
21 I would hope, depending some things that
22 may occur, in the next few months that we are able
23 to expand out that program, and if not eliminate the
24 waiting list, at least substantially reduce the
25 waiting list. I believe that the difference in

1 recidivism for those who complete that program as
2 opposed to whatever affords them the opportunity to
3 go into it is important enough to justify any
4 additional expenditures for the social impact.
5 THE CLERK: This is the time for
6 anyone present to address the Board on any matter of
7 public interest. Please remember to limit your
8 comments to five minutes. Charlene Burke is not
9 here. Laura Skolar is not present. Lawrence Hunt,
10 is he here?
11 Are there any speaker any matter of public
12 interest?
13 MS. WAITERS: Patricia Waiters, 1233
14 Park Avenue. Excuse me, I have to ask you give this
15 document I'm passing around is Document No. 2 from
16 last week. That's what I want to speak to. This is
17 Document No. 2. The Deputy Director left the room.
18 I don't think he needs to. I'm not an employee.
19 That's not going to be mentioning him.
20 All right. I'll make this brief. Yes, I
21 gave her one. The document that I gave at the last
22 meeting, and the first thing that I want to say, I
23 want you to become familiar. On January 12, 2015 at
24 ten a.m. in the Federal Court, the trial starts for
25 this individual. I don't want to mention no names.

1 A few things that's what I've been asking for the
2 five or six years to look into this, no one ever got
3 back in touch with me. I've been trying to get a
4 more concerns with OPRA requests, and I'm having a
5 hard time figuring who do I see, Mr. Carroll when
6 he's there. I feel it's a conflict of interest.
7 Mr. Chairman, I came to try to get a
8 request, and he works for the County. So I mean
9 maybe it's me, you don't need to be a rocket
10 scientist to do the math, especially when you review
11 this document and what I'm asking for because we've
12 got twelve OPRA requests, and the dates if you look
13 at the back and see we asked who appoints that
14 deputy director, what resolutions are in place.
15 This goes two years ago or three years ago in 2011.
16 These questions I have been asking, and I get no
17 response to.
18 I have a whole list of OPRA requests. I
19 can put it on the record that I'm going to again
20 make an attempt to go to the Law Department, and I
21 was placed on hold forever, and I was told Mr.
22 Carroll wasn't there, but I need to know. I mean,
23 in all honesty, it is a conflict for me to waste the
24 document and keep trying to get OPRA requests from
25 the Law Department. As you know this is a serious

1 issue so when we ask these questions, we never got a
2 response. I mean, could we get an OPRA request to
3 see who picks the deputy director or the director?
4 MR. BATTISTA: Mr. Chairman, may I
5 respond? I think the problems with the some
6 individuals when they make a request, an OPRA
7 request is a request for a document. These are
8 information requests. We don't have an obligation
9 to respond to people's questions. I mean
10 Ms. Waiters, please, with all due respect, I know
11 Ms. Waiters doesn't get along with me, but if there
12 is an OPRA request, a document request that is not
13 being honored, I guarantee if it's given to my
14 attention, I will give it to her.
15 The problem that is when the requests come
16 in and they want information, we're not in the
17 business of hunting information for people to
18 research the question. There are no documents. I'm
19 sure she was told there was no documents. If that's
20 not satisfactory, I can't help that.
21 MS. WAITERS: I get along with you.
22 CHAIRMAN MUNOZ: What is the document
23 you are looking for?
24 MS. WAITERS: I'm going to give it to
25 you, and I understand I'm not asking for personal

1 information, maybe you're taking that personally.
2 An OPRA request is information, okay, public
3 information that I want to request okay? What I'm
4 saying to you is we have been coming to this Board,
5 the members of the public coming to this Board, and
6 the way this Law Department is acting, that's not
7 the practice that they not answer certain questions.
8 I want to talk about the things that's public
9 information, and the behavior, the same exact thing
10 that I took up in court with the deputy acting
11 director, Mrs. Knoll, is still in place, with the
12 targeting and entrapping, the same exact thing.
13 These are in court, and we have got the right to see
14 the documents and these things.
15 I'll get you copies of what was requested,
16 Mr. Munoz. I went twice to see Mr. Carroll. They
17 told me he wasn't there, whatever his name. I'm
18 going to do it again as of tonight, but just please
19 review this. This is really disheartening and
20 mind-boggling. I don't want personal information.
21 I want information that the public was exposed to,
22 and I've got the right to know what documents are in
23 the court. We've got the right to make an OPRA
24 request, and it's urgent. I am trying to get this
25 for this trial date that's January 15th.

1 THE CLERK: Mr. Chairman, the five
2 minutes.
3 MS. WAITERS: Thank you. You'll get
4 a copy tomorrow of my OPRA request.
5 CHAIRMAN MUNOZ: How do they respond
6 to the OPRA request?
7 MR. BATTISTA: Neil Carroll is the
8 County OPRA officer. I know he was out this week
9 for vacation days, but he is the OPRA officer. When
10 the request comes in, all we ask is that the request
11 be in writing. We do not respond to telephone
12 requests. That reason we don't do that is because I
13 don't someone to say, I asked for something and you
14 didn't give me what I asked for. We ask that it's
15 in writing.
16 People are diligent in responding, and the
17 problem is people give us requests for information,
18 and OPRA doesn't require us to engage in an
19 investigation for material and information in order
20 to answer people's questions. An OPRA request has
21 to identify the document, identify the document for
22 reasonable -- reasonableness so we can understand
23 what the document is and produce the document.
24 That's it.
25 FREEHOLDER CIFELLI: I have to ask a

1 question.
2 MR. ANTUN: Yes, Freeholder.
3 FREEHOLDER CIFELLI: Do I have the
4 floor?
5 THE CLERK: Yes.
6 FREEHOLDER CIFELLI: I agree with
7 County Counsel that OPRA doesn't require a
8 government agency to assist the inquirer with
9 respect to providing research. The question I have
10 that I need answered, I apologize but the telephonic
11 communication is little a vague, where there's
12 litigation, why isn't that discoverable under the
13 Court rules and Federal rules and State rules as
14 opposed to having a request of OPRA?
15 MR. BATTISTA: Freeholder, the
16 speaker was alluding to litigation of a criminal
17 matter pending in Federal Court, not necessarily her
18 particular interest. She's alluding in January
19 2015, I believe, is a criminal matter pending in
20 Federal Court.
21 FREEHOLDER CIFELLI: She believes
22 it's relevant to her litigation, shouldn't that be
23 resolved, the question of relevance, the question
24 germaneness, the question of discoverability,
25 shouldn't that be resolved in her litigation?

1 MR. BATTISTA: Freeholder, I don't
2 believe it's her litigation.
3 FREEHOLDER CIFELLI: I thought she
4 alluded to an ongoing litigation.
5 MS. WAITERS: I didn't say tonight.
6 FREEHOLDER CIFELLI: I apologize for
7 that dialogue.
8 THE CLERK: Additional speakers any
9 matter of public interest?
10 MR. McCORMACK: Good evening.
11 Richard McCormack. Just couple a days, this weekend
12 I heard this alluded before that, Sunday from one to
13 nine, Harismus Cemetery, which has done a marvelous
14 job. Wait until you see that resolution before
15 that, $12,000, will be issued into the cemetery for
16 the roof repair.
17 Also, on Saturday as was mentioned,
18 everybody is Irish, come down to Jersey City
19 Exchange Place and celebrate the Irish Festival.
20 It's a great day. Also, one other event Saturday
21 night, now it will be sponsored by the Jersey City
22 Recreation Department and St. Peter's University,
23 will be a basketball game with some of the old-time
24 football players and the local basketball players,
25 former WMBA star, Adrian Woodson from Bayonne, she

1 will be attending. It's a great night.
2 Have a great time at the Irish Festival.
3 Come down and celebrate Jersey City and the County.
4 FREEHOLDER O'DEA: What about the
5 Indian Festival?
6 MR. McCORMACK: That's tomorrow
7 night. Come around midnight, join me to take
8 pictures at the Navaratri Festival, Friday night,
9 from seven o'clock to three in the morning.
10 FREEHOLDER O'DEA: Do that and go
11 right to the Irish Festival for breakfast, and come
12 down and sleep and got to St. Peter's.
13 MR. McCORMACK: Sunday, if you'd
14 like, the Jewish Care Center is holding their annual
15 luncheon. It was nice of them before. So their
16 main comment asked if Freeholder Romano was an
17 honorary Dominican Chairman of the Festival in North
18 Bergen and Union City. I would like to commend him
19 for one thing he did this past Saturday was to
20 participate in the City Challenge in Hoboken. He
21 was a little exhausted. I have hundreds of
22 pictures. I gave him a picture, but he was not
23 paying.
24 For that event, there was 2,300 people
25 that took part in this event to raise money for

1 cancer. On the day alone, they had 500 on-site
2 registrations. It was a very tedious and
3 extraordinary event that's held. We had one in
4 Jersey City earlier in the year, and there was lots
5 of obstacles, barriers, carry water, sand bags, jump
6 over the walls. One of the Members of Hudson
7 County's Board people came in 12th in his overall
8 category. I think there was only ten in his age
9 category, but he came in 12th. But thank you for
10 your time. Enjoy your weekend. Sunday is that
11 Hoboken music festival, the Arts and Music Festival
12 in Hoboken.
13 THE CLERK: Additional speakers on
14 any matter of public interest?
15 FREEHOLDER O'DEA: He's a minister to
16 perform weddings, correct?
17 THE CLERK: Additional speakers on
18 matters of public interest?
19 CHAIRMAN MUNOZ: One more thing, on
20 the issue, Mr. Administrator, the issue on the OPRA
21 request I wonder on the web site, on the Hudson
22 County web site, we don't have an OPRA public
23 request form on the web site. We need to go to the
24 municipal web site of any town in Hudson County,
25 they have a form that you can fill out online, and

1 we can send it, and it gives you a receipt, a time
2 stamp, and you have to sent a OPRA request. We
3 receive the e-mail.
4 MR. BATTISTA: We don't try to make
5 it as burdensome as possible. We don't mandate them
6 to put it on a certain form. If you send me an
7 e-mail --
8 CHAIRMAN MUNOZ: We have a form.
9 MR. BATTISTA: If you send me an
10 e-mail, as long as it's in writing, I view that as
11 an OPRA request. We don't make you fill out the
12 form. All I'm saying to you, you don't need to use
13 an official form for us to treat it as an OPRA
14 request. An e-mail to me is an OPRA question.
15 CHAIRMAN MUNOZ: The web site makes
16 it easier. The municipalities have things that
17 they're requesting from the OPRA. To see the
18 budget, they post it online so the don't have as
19 many posts and to save time.
20 FREEHOLDER O'DEA: I would suggest if
21 Neil Carroll is the only employee for OPRA requests,
22 if he is going to out more than a day, there should
23 be somebody able to at least begin the process.
24 It's one thing if someone is out for a day. If he
25 has a right to go on vacation for three weeks, does

1 that mean all of the OPRA requests wait for him?
2 MR. BATTISTA: He has staff people.
3 To be honest, you don't need to speak to Neil
4 Carroll to make an OPRA request. All you need to do
5 is send us something in writing requesting the
6 document. He's the person who oversees and funnels
7 it to the appropriate office. You're right. I will
8 make sure. I'll double check, but you don't need to
9 speak to Neil Carroll in order to make an OPRA
10 request.
11 MR. ANTUN: He has to coordinate it.
12 Even though he's not the custodian of the record,
13 each department custodian had a custodian of the
14 record. He has to follow up to with that to make
15 sure the custodian of that record produces that
16 document. That's really what he does.
17 FREEHOLDER O'DEA: So a request, I
18 want to see Ben Lopez's personnel file. Obviously,
19 that's not legitimately an OPRA request?
20 MR. ANTUN: That's one of the things
21 that he does. He would write back and say, We're
22 not allowed to give you his personnel file. Let's
23 say I was looking to salary, okay, that's public
24 information. We can give the salary.
25 MR. BATTISTA: The reason we do it

1 that way, we don't require, the max that we have is
2 seven business day, unless we show we need more
3 time, we can be subject to cost if somebody takes us
4 to court. We have to funnel it through someone.
5 He's more a traffic cop to make sure people respond
6 timely with the documents.
7 CHAIRMAN MUNOZ: Any other comments?
8 THE CLERK: Motion to adjourn by
9 Maldonado. Second by Romano. All in favor?
10 (Whereupon the proceeding is then
11 concluded at 7:32 p.m.)
