EXECUTIVE:***

**CENTRAL & PENNSYLVANIA AVENUES IN SOUTH KEARNY INDUSTRIAL AREA TO BE
RESURFACED**

Jersey City, NJ — The Hudson County Division of Engineering has announced that on Monday, August 4, 2008, the resurfacing of Central Avenue and Pennsylvania Avenue in south industrial part of Kearny will commence. This project is scheduled to last about 4 weeks weather permitting. Construction will involve only milling, paving and traffic striping. The limits of the work are from US Truck Routes 1& 9 to Pennsylvania Avenue for Central Avenue and from Central Avenue to Fish House Road for Pennsylvania Avenue.

Most of the construction will be conducted at night to minimize traffic disruptions. Nonetheless, two-way traffic will be maintained at all times during construction.

The project was awarded to Smith-Sondy Asphalt Construction of Wallington, NJ for \$672,149.88
