MESSAGE FROM THE OPEN SPACE ADVISORY BOARD

In 2011, the County Executive and the Board of Chosen Freeholders reinstated the .01 cent tax levy which funds the Hudson County Open Space, Recreation, and Historic Preservation Trust Program. This in turn made funding available to provide grants for the 2013-2014 funding cycle in the categories of open space acquisition, historic preservation rehabilitation plans and capital projects, and park and recreation improvements. Grants are made available to the County of Hudson, any of the twelve (12) Hudson County municipalities, the Hudson County Improvement Authority, and any local entities, non-profit corporations, and qualified charitable conservancies located within Hudson County that receive tax exemption under section 501(c)3.

As in years past, the Open Space Advisory Board received an overwhelming response from grant applicants, with 28 applications requesting approximately $12.7 million in funding. Categorically, the advisory board received applications for nine (9) Historic Preservation Projects requesting $2,530,670.40 and nineteen (19) Park Improvement Projects requesting $10,195,819. In terms of project location by municipality: Bayonne submitted (2); Guttenberg (1); Harrison (1); Hoboken (3); Jersey City (9); Kearny (2); North Bergen (2); Secaucus (2); Union City (2); Weehawken (2); and Hudson County submitted (2). The 2013-2014 funding cycle had $4,606,424 of funding available. Each Letter of Intent was reviewed in depth by the advisory board in November of 2013. Additionally, the Division of Planning staff conducted one-on-one meetings and site visits with every proposed project. The following report includes the County Executive’s funding recommendations, funding guidelines of the Open Space, Recreation, and Historic Trust Fund, an explanation of the Open Space Advisory Board, a 2013-2014 application summarization chart and a brief description of each 2013-2014 full application.
MISSION STATEMENT

On June 26, 2003, the Hudson County Executive requested, and the Hudson County Board of Chosen Freeholders approved a resolution authorizing the placement of a public question (referendum) on the general election ballot for the establishment of a County Open Space, Recreation & Historic Preservation Trust Fund. On November 4, 2003, the ballot question was approved by a two-to-one majority of County voters.

The Board of Chosen Freeholders, by a resolution dated December 23, 2003, voted to establish the Hudson County Open Space, Recreation & Historic Trust Fund. The Trust Fund is funded through a property tax dedicated to acquire land for conservation, open space purposes, recreation facility enhancements, and historic preservation.

Entrusted by the County Executive and Board of Chosen Freeholders, the Hudson County Open Space Advisory Board has the responsibility to review, prioritize, and recommend projects for open space, recreation and historic preservation funding that meet the goals and objectives outlined in the Hudson County Open Space & Recreation Plan.

The Trust Fund is funded through a property tax assessment determined annually by the Board of Chosen Freeholders, at a rate not to exceed one cent ($0.01) per $100.00 of total County equalized valuation. All money collected through the property tax assessment is deposited into the Trust Fund.

The following pages (9-14) are an excerpt from the 2013 Funding Guidelines pages, 20-23. For the full version, please visit our website at http://www.hudsoncountynj.org/open-space-recreation-and-historic-preservation-advisory-board/
FUNDING GUIDELINES

Eligible Applicants

The following entities are eligible to participate in the application process for funding consideration from the Trust Fund:

1. The County of Hudson;

2. All Hudson County government agencies and its affiliates;

3. Any of the twelve (12) municipalities in the County of Hudson; and

4. Local entities, non-profit corporations, and qualified charitable conservancies located within the County of Hudson that have received tax exemptions under section 501(c) 3 of the 1954 Internal Revenue Code. Local entities are required to partner with the local municipality where the project is located.

Eligible Purposes

Eligible purposes, as voted by referendum, and approved by the Board of Chosen Freeholders are:

1. Acquisition of land for conservation and recreation purposes.

2. Development and redevelopment of land existing or acquired for recreational, cultural, tourism and/or conservation purposes.

3. Preservation of historic properties, including the acquisition and historic preservation planning activities of such properties for historic preservation, this includes historical capital projects and historical rehabilitation plans or

4. Payment of debt service on indebtedness issued or incurred by the County of Hudson for any of the purposes stated in (1), (2), (3), or (4).

Eligible Costs

The following costs are deemed to be consistent with the purposes and intent of the Trust Fund and shall be eligible for application:

1. The acquisition of land for conservation and recreation purposes. Note- applicants are required to place the County on the deed when purchasing the property.

2. Construction management and/or construction administration of an Open Space Trust funded recreation or historic capital project or rehabilitation plan.

3. Up to 50% of the costs of preparing a historic preservation plan for the preservation, rehabilitation, restoration or reconstruction of a historic property under the Secretary of the Interior’s Standards for the Treatment of Historic Properties. Such projects must result in the completion of site/construction plans related to all proposed historic preservation activities.
Ineligible Purposes

The following purposes are considered ineligible to receive funding:

1. Any maintenance, care, custodial, or policing expenditures associated with active and passive recreation, and historic sites.
2. Lands that are and will remain predominantly covered by buildings or structures not appropriate for environmental education, recreational use, or historic preservation.
3. Activities that will have a significant adverse impact on environmental resources or open space values.
4. Items that were not listed in the original grant agreement between the County and the applicant.
5. Sweat equity, an interest of increased value in a property earned from labor by the owner toward upkeep or restoration.
6. Soft costs, such as architectural design, engineering, planning, surveying, permitting, fees, legal, administrative, or environmental costs.
7. The preparation and completion of historic preservation studies with the aim of obtaining a Certification of Eligibility from the New Jersey Historic Preservation Office or for the purposes of determining the eligibility or the nomination of a property or structure for the State or National Register of Historic Places.

Allocation

The Trust Fund will be funded through a property tax assessment to be determined annually by the Board of Chosen Freeholders, at a rate not to exceed one cent ($0.01) per $100.00 of total County equalized valuation.

1. All of the money collected through the property tax assessment will be deposited into the Trust Fund and shall thereafter be disbursed for the following types of projects:
   a. Land Acquisition Projects,
   b. Development/Redevelopment Improvements for Recreation Conservation Projects,
   c. Historic Preservation Capital Projects and Rehabilitation Studies

2. Applicants shall not request more than $2,000,000 for a regional Open Space Acquisition or more than $1,000,000 for a local Open Space Acquisition. Regional acquisitions are deemed to serve the residents of two or more communities as defined by municipality, zip code or public high school. Local acquisitions are deemed to serve the residents of only one community as defined by municipality, zip code or public high school. An exception will only be considered based upon the extraordinary nature of the acquisition and its merit.

3. Applicants shall not request more than $1,000,000 for a regional Recreation, Conservation, Historic Preservation Capital or Rehabilitation project, or more than $500,000 for a local Recreation,
Conservation, Historic Preservation Capital Project or Rehabilitation Plan. Regional projects are deemed to serve the residents of two or more communities as defined by municipality, zip code or public high school. Local projects are deemed to serve the residents of only one community as defined by municipality, zip code or public high school. An exception will only be considered based upon the extraordinary nature of the project and its merit.

4. Any unexpended funds allocated to a specific project and determined by the County of Hudson as no longer needed for that project will return to the Trust Fund.

5. Indebtedness by the County of Hudson for eligible purposes as stated above will be set aside in an amount equal to the annual debt payment requirement prior to the annual allocation determination for new applications/projects.

Advisory Board Review and Recommendation

The Hudson County Division of Planning shall provide staff support and technical assistance to the Advisory Board.

The Advisory Board shall:

1. Schedule a timeline for the Letter of Intent process. Initial letter of interest will be submitted by interested applicants prior to full proposal. A Letter of Intent Form will be created for their use. Applicants must demonstrate how their project meets the new goals and objectives outlined in the 2013 Reexamination Report. They must have all required documentation, list matching funding, and show how the project is shovel ready.

2. Schedule one-on-one meetings with the applicant and Open Space support staff and at least one member of the Hudson County Open Space Trust Fund Advisory Board to review applicant’s Letter of Intent. Once the Letter of Intent is deemed complete, applicant will be required to submit a full application to the Advisory Board.

3. Determine application completeness and eligibility according to the program statement approved by the Hudson County Board of Chosen Freeholders.

4. Review each application and rank each application according to the criteria established in said program statement and the 2013 Open Space Reexamination Report.

5. Forward the Advisory Board’s recommendations to the County Executive for his/her consideration and funding allocation.

6. Upon final approval by the Board of Chosen Freeholders, the Advisory Board shall prepare an annual report.
County Executive’s Submission of Proposed Projects

1. Upon receipt of the Advisory Board’s recommendations by the County Executive, the County Executive shall formulate funding allocations for eligible projects for a 30-day review period.

2. The County Executive shall submit the Advisory board’s recommendations with his/her funding allocations to the Board of Chosen Freeholders for its consideration.

Freeholder Funding Approval

1. Upon the release of the County’s Executive’s funding allocations, the Division of Planning shall schedule at least one public hearing held at least thirty (30) days after the transmittal of funding recommendations in accordance with N.J.S.A. 40:12-15.1 et seq., to solicit public comment on the proposed grant award recommendations.

2. In accordance with N.J.S.A. 40:12-15.3b the Board of Chosen Freeholders shall authorize final approval for the project funding no earlier than 45 days after the public hearing.

Grant Agreement

1. Applicants that have been approved for funding will have two (2) months from the date of Freeholder approval of the required Hudson County funding resolutions to execute a Grant Agreement with the County.

2. Upon execution by both parties of the grant agreement, projects are expected to progress at a reasonable pace, subject to the specifics of a particular project. After two (2) years from the Freeholder award date, any unexpended award funds remaining will be forfeited and returned to the Open Space Trust Fund.

3. The Grant Agreement shall include a phased punch list for eligible costs. Reimbursement of funds through the County of Hudson will only be processed after a site inspection for each phase.

4. Throughout the life of the grant, awarded applicants will be required to submit quarterly progress reports to the Hudson County Division of Planning.

5. A deed of conservation easement or historic preservation restriction held by the County of Hudson shall be filed with the Office of the County Register upon completion of land acquisition, park and recreation improvement, or historic preservation capital project or rehabilitation plan.

6. Applicants must agree to place any funded parkland on the NJ Recreation and Open Space Inventory (ROSI) before final payment of grant monies. No change in use or diversion of funds shall be allowable for any funded park or recreation project without following the procedures set forth in the grant agreement.
7. Failure to uphold any other aspects of the executed grant agreement may result in the forfeiture of funds. Unused funds will revert back to the Trust Fund.

8. Applicants must seek Open Space Advisory Board approval for any deviations from the original grant agreement. Deviations that are above 10% of the total funded project cost will require Freeholder Board approval. No deviations will be approved in the last 6 months of the grant agreement.

9. The grant recipient may request one (1) year extension. The extension shall be granted at the discretion of the County. Extension requests will be considered in cases of natural disasters or other unforeseen circumstances in which the applicant had no control over. If the applicant fails to complete the project within the 1 year time frame, the grant agreement and the unused funds shall be forfeited.

10. Reprogramming of funded projects are granted at the discretion of the County. Only municipalities are allowed to request a reprogramming to a shovel-ready project within the same municipality. Shovel ready projects are considered projects that have a selected contractor in place or are under construction. Reprogramming can only be awarded to Park Improvement projects and Historical Capital projects. No more than 50% of the total funded project award amount can be used for reprogramming.

11. Applicants that have been approved for a grant award from the County shall fund all costs incurred in connection with the acquisition of any land or interest therein, including, but not limited to the costs for appraisals, wetland delineations, environmental assessment, engineering, property survey, title search, legal expenditures, structure demolition and removal, and other such costs associated with the acquisition of land or interest therein.

12. Banking or stockpiling of Trust Fund grants is not permitted. Failure to complete the project within the grant contract time period will result in forfeiture of the grant for failure to comply with the terms of the Trust Fund grant agreement.

13. Two months prior to the dedication/rededication/opening ceremony of the project, the applicant must contact the Division of Planning.

14. Temporary construction signage specs will be provided in the applicant’s grant agreement.

15. Permanent signage specs will be provided in the applicant’s grant agreement.
**Interest on Investments**

Any interest earned on the investment of funds of the Trust Fund shall be retained within the Trust Fund to be used for Trust Fund purposes as described herein.

**Open Space Advisory Board**

The Trust Fund Advisory Board consists of 9 members appointed by the County Executive with the advice and consent of the Board of Chosen Freeholders. Advisory Board members are representatives of county government, conservation, environmental, historic preservation, parks and recreation, and business communities.

The primary responsibility of the Open Space Advisory Board is to systematically review applications for funding consideration for the Trust Fund. The Advisory Board assists with prioritization and recommendation of projects for open space, recreation, and historic preservation purposes.

A final report ranking and prioritizing projects with recommendations is submitted to the County Executive and Freeholder Board for their respective for consideration.

The following page is the Letter of Intent Checklist followed by a table listing the 14 Letters of Intent that were not recommended to full application in December. The comments section to the far right of the chart indicates the reasoning behind each application not moving forward. Recommendations for full application were based on the submission of all required checklist items, a local match from the municipality, the priority of the municipality and whether the project was deemed “shovel-ready”. The Division of Planning staff and Open Space Advisory Board reviewed and discussed each application to determine its completeness and the recommendations were presented to the County Executive for his final determination.

2013-2014 OPEN SPACE FULL APPLICATION SUMMARIES
Arranged by Funding Category and Municipality

Applicants whose projects were recommended for full application submitted the full application on January 17, 2014. The full application included additional narratives, an initial finance sheet, cost estimates, a municipal resolution endorsing the project, and a required checklist for the 3 eligible categories for funding: Acquisitions; Park Improvements; and Historic Preservation. The 2013 funding guidelines encouraged partnerships between non-profit 501 c (3) s and their local municipalities. The partnership ensures that the municipality is included in the application process and grant agreements if awarded.

The following section includes a description of the 14 full applications with a summary breakdown of costs, municipal match, and additional grants awarded to the project. The Board met for two days in February to review each application for completeness and to determine if the project was “shovel-ready”. Recommendations from the Open Space Advisory Board are included for each application below the cost breakdown. Board recommendations were made with regard to eligible costs for reimbursement through the trust fund, public accessibility, and additional activities to be considered on site. Out of the 14 full applications, 13 are being recommended for funding as per the County Executive letter dated April 24, 2014.

Secaucus, NJ 07094

Dear Chairman Liccardo & Members of the Board:

Thank you, Mr. Chairman, and Advisory Board Members for your continued diligence and hard work in evaluating applications for funding consideration from the Hudson County Open Space Trust Fund. Your dedication and volunteer time spent for this difficult task is truly appreciated.

After review of your Recommendations Report, the following is the list of projects and funding award recommendations I will make to the Board of Chosen Freeholders. The original recommendations have been increased due to additional funding from recalculation amounts required for open space debt requirements through the open space trust fund.

Restoration of Harrison Library and Plaza

**Project Description**

The Town of Harrison seeks funds for improvements to the Harrison Library Plaza. The proposed Plaza project activities include the restoration of the library and plaza stairs, replacement of hand and guard rails, walkway reinforcements, masonry restoration, column replacement, architectural trims and wall panels, landscaping, interior plaster restoration of reading room and mezzanine. The Town will also prepare a Historic Preservation Plan in order to continue the restoration of the building in accordance with the US Secretary of Interior’s Standards.

**Summary**

Project Name: Restoration of Harrison Library and Plaza  
Applicant: Town of Harrison  
Municipality: Harrison  
Total Project Costs: $366,950  
Amount Requested: $316,450

Municipal Match: $50,500 from Capital Funds  
Total Match: $50,500

**Recommendations**

**The Board recommends this project for funding.** The Board recommends the Town make the bowling green in front of the library publicly accessible during daytime hours and seeks cultural grants to provide a farmers market, arts market, as well as provide outdoor furniture to promote reading and passive recreation.

Hoboken Free Public Library Reading Garden

Project Description

The Hoboken Library is seeking funding to renovate the backyard garden space that is inaccessible to the public currently. The project will include construction of paving stone surface with several seating options and garden plantings. This is part of a larger historic restoration project for the library building.

Summary:

Project Name: Hoboken Free Public Library Reading Garden
Applicant: Hoboken Free Public Library
Municipality: Hoboken
Total Project Costs: $2,500,000
Amount Requested: $141,000

Local Match: $1,400,000 in library reserves
Other Match: $750,000 NJ Historic Trust
Total Match: $2,150,000

Recommendations

The Board recommends this project for funding. The Board recommends that the line item for garden chairs and tables for $17,000 be removed as a fundable line item. Benches and tables that are anchored to the ground are recommended and will be eligible for reimbursement through the grant. During site inspection, it appeared that there was no public access from the street to the proposed reading garden. The Board recommends the applicant put in signage that directs visitors to the new amenity.

County Executive Recommendation: $124,000

Hackensack River Paddle Trail

Project Description

The applicant seeks funding for a signage project for 4 sites—City Park on 16th street in Bayonne, Rutkowski Park in Bayonne, Veterans Park in Bayonne, and Mill Creek Point Park in Secaucus. The proposed signage will bring public awareness of, and access to, the 23-mile Hackensack River Paddle Trail by providing Orientation and Wayfinding signage. The orientation signs will include embedded fiberglass to resist fading, vandalism and weather.

Summary

Project Name: Hackensack River Paddle Trail
Applicant: Hackensack Riverkeeper/Bayonne/Secaucus
Municipality: Bayonne and Secaucus
Total Project Costs: $12,928
Amount Requested: $10,774

Guttenberg Community Center

Construction of a 3-story community center will serve as an extension to the Anna Klein school and will be used as classrooms as needed and an all-purpose room. Atop the community center will be an outdoor rooftop park. The structure will have an indoor public basketball court and gym. The project will be ADA compliant and elevator access to rooftop. The Town has a shared services agreement with the Board of Education. Classrooms will be used during the day until 3PM and space for recreational activities will be available after 3PM for the general public.

Summary

Project Name: Guttenberg Community Center
Applicant: Town of Guttenberg
Municipality: Guttenberg
Total Project Costs: $20,233,320
Amount Requested: $500,000

Municipal Match: $14,000,000 (Bonding)
Other Match: $3,651,000 (SDA Grant)*
Total Match: $17,651,000

*The SDA grant is contingent upon Guttenberg bonding for the remaining amount required to complete the project.

Previous Hudson County Open Space Trust Fund Awards:
2007: Acquisition Guttenberg Community Center $540,000
2009: Guttenberg Community Center $100,000
2010: Guttenberg Community Center $100,000*
Total Previous Grants: $740,000
*Reprogrammed to Guttenberg/North Bergen Park

Recommendations

The Board recommends this project for funding. The Board recommends that funding be limited to the specific Block and Lot of the proposed Community Center. Total project costs include renovations to the existing school building. Funding should be restricted to sections of the building that are accessible to the public throughout the day (i.e. media room). First floor will include a media room and gym with bleachers and a stage. The gym will be open to the general public after 3 PM. The public has access to the stairwell and elevator to access the rooftop playground. The second floor has classrooms that will be used as adult group activity rooms after 3 PM during the week, on the weekends, and during the summer. The third floor has classrooms that can be used for group activities but the Town has to give notice to use these rooms. The third floor rooms can be used throughout the summer.

Total Previous Grants: $740,000
*Reprogrammed to Guttenberg/North Bergen Park

Recommendations

The Board recommends this project for funding. The Board recommends ensuring safe and easy access to the rooftop playground. The Board questioned whether the rooftop could be funded if the Community Center was not funded by the Open Space Trust. The Town plans to go out to bid for the entire project in June with a ground breaking in September. The Community Center including the playground is expected to open in December 2015 which is in line with the 2 year timeframe for an Open Space Trust Fund grant.

Hoboken Cove Park and Boathouse Development

**Project Description**

The City is re-designing Hoboken Cove Park through the HUD Rebuild by Design process to incorporate resiliency measures into the park. The application includes additional funding for the boathouse construction. Once completed, the City will operate and maintain the facility and work with the Hoboken Cove Community Boathouse and Stevens Sailing Club on programming.

**Summary**

Project Name: Hoboken Cove Park and Boathouse Development
Applicant: City of Hoboken
Municipality: Hoboken
Total Project Costs: $1,787,000
Amount Requested: $500,000

Municipal Match: $250,000 Municipal Open Space
Other Match: $100,000 for environmental remediation
Other Match: $937,000 Green Acres

2007: Hoboken Cove Boathouse $100,000
2009: Hoboken Cove Park Development $350,000
Total Previous Grants $450,000

**Recommendations**

The Board recommends this project for funding. The Board recommends additional pedestrian measures to ensure safe crossing between 1600 Park and Hoboken Cove. Recommendations include additional signage and lighting. The City should continue working with the County to work on additional safety measures for Park Avenue.

The Reinvention of Paulus Hook Park

Project Description

The applicant seeks funding to integrate the existing four corners of Paulus Hook into one unified urban park. The park consists of approximately 10,000 square feet. The design of the park will provide one corner as a safe, creative space for children to play which will also include an amphitheater for the public to watch films, music, and cultural performances. Another corner will contain a fenced play area for toddler-age children while the other 2 corners will be for passive recreation. The overall design of the park will provide areas for creative play, historical appreciation, educational interaction, and passive recreation. The project is currently in Phase I. The cost estimate for Phase I and II is $610,000 and will include demolition, site work and the SW corner play area.

Summary

Project Name: The Reinvention of Paulus Hook Park
Applicant: Historic Paulus Hook Association
Municipality: Jersey City
Total Project Costs: $1,000,000
Amount Requested: $300,000

Municipal Match: $0
Other Match: $50,000 NJ Historic Trust
Other Match: $150,000 Green Acres
Other Match: $100,000 Private Funding
Total Match: $300,000

Recommendations

The Board does not recommend this project for funding. The Board highly encourages the applicant to commission an archaeological study in line with the recommendations from the Hunter Research, Inc. report. Consideration should be given to including the local community in the process of archaeological research. A plan should be created as to how any archaeological findings will be displayed and catalogued.

Action Plan: The full amount requested will give the applicant the opportunity to complete Phase I and II of this project. However, with no municipal allocation, it will be difficult for the applicant to complete Phase III which is estimated to be $390,000 plus design work for Phases I and II at $90,000 which the Trust Fund would not reimburse. The Board recommends the applicant coordinate with the City in seeking additional grant monies for this project.

Berry Lane Park- Phase III Stabilization

Project Description
The Jersey City Redevelopment Agency seeks funds to proceed with construction of Area 5 Multi-Purpose Field. Area 5 consists of a multi-purpose synthetic turf field (soccer and baseball), sports lighting, landscaping, trees, park furniture, bleachers, scoreboard, curbing, fencing and permeable pavers. Area 5 will be part of Phase III development of the overall 17 acre park.

Summary
Project Name: Berry Lane Park- Phase III Stabilization
Applicant: Jersey City Redevelopment Agency
Municipality: Jersey City
Total Project Costs: $2,916,654
Amount Requested: $1,600,000

Municipal Match: $784,600 Capital Funds
Other Match $1,000,000 CDBG
Total Match: $1,784,600

Previous Hudson County Open Space Trust Fund Awards:
2007: Berry Lane Park Acquisition $3,200,000
2008: Berry Lane Park Expansion $1,200,000
Total Previous Grants $4,400,000

Recommendations
The Board recommends this project for funding. The park will create an underserved community with passive and active recreation. It is a significant “brownfield to greenfield” project that will result in the creation of approximately 17 acres of new open space in Jersey City. The applicant requests $1.6 million through the Trust Fund. The 2013 Funding Guidelines state, “Applicants shall not request more than $1,000,000 for a regional Recreation, Conservation, Historic Preservation Capital or Rehabilitation project. Regional projects are deemed to serve the residents of two or more communities as defined by municipality, zip code or public high school.” Given its access to mass transit, the Historic Morris Canal and broad base of potential users, the Board deems the project as a regional asset and recommends the applicant receive $1 million as per the Hudson County Open Space Trust Fund Funding Guidelines.

Dog Park Construction at Riverbank Park

Project Description

This project provides for the construction of a .39 acre off-leash dog park at Riverbank Park in order to address the community’s request for such a facility. The plan provides for the development of an underutilized section of Riverbank Park. The proposed facility would be open during normal park hours and would be maintained by the Town DPW department. The facility would consist of two separate areas, one for small dogs, one for large dogs at approximately .15 acres and .24 acres respectively. Local handicap parking, access to adjacent town parking to the south through sidewalks are also proposed.

Summary

Project Name: Dog Park Construction at Riverbank Park
Applicant: Town of Kearny
Municipality: Kearny
Total Project Costs: $270,000
Amount Requested: $175,000

Municipal Match: $95,000
Total Match: $95,000

Recommendations

The Board recommends this project for funding. The Board recommends that the Private Developer of the subdivision across from Riverbank Park contributes to the Dog Park construction since many of their residents will be bringing their dogs to the park. Consideration should be made in connecting to the Passaic River in future park development project.

Project Description

The project will involve the rehabilitation of Ellsworth Park to convert the facility from a primarily passive use, with one small area of playground equipment, to a multi-purpose facility with water features, a picnic area and a bandshell/amphitheater. The project will also include grading and drainage improvements and landscaping; the site is already handicapped accessible, although accessibility will be improved. The plans are nearly completed and the City will be ready to go out to bid upon the approval of the project by Green Acres and the County. The facility will be maintained by the City’s parks department with existing staff.

Summary

Recommendations

The Board recommends this project for funding. In viewing the cost estimates for this project, the project management cost is not consistent with the Funding Guidelines. The Board recommends that the project management line item not be funded through the Open Space Trust Fund. The Funding Guidelines state that the Trust Fund does not reimburse soft costs. Please note that the $200,000 donation from Goya is contingent upon receiving $400,000 from the Open Space Trust Fund. The $180,000 donation from Snowflake foundation has yet to be received by the City. The $100,000 donation of from CarePoint Health is contingent upon receiving $400,000 from the Open Space Trust Fund. If awarded, it is recommended that the applicant submit all promised funding verification letters within 6 months of contract. If money has not been committed, the applicant will forfeit the trust fund money since it would no longer be deemed “shovel ready”.
